

Singapore Symphony Chorus

TOP TEN DO'S AND DON'TS

1. Do bring a pencil to take notes and instructions.....
.....*don't rely on your memory.*
2. Do look up.....
.....*don't bury your head in your score.*
3. Do watch the conductor for the beat.....
.....*don't tap your feet or nod your head to get the pulse.*
4. Do sing out with confidence.....
.....*don't let your neighbours do all the work.*
5. Do sing as part of a chorus.....
.....*don't stick out aurally.*
6. Do articulate consonants clearly and vowels roundly.....
.....*don't dilute the language.*
7. Do hold every note and observe every rest accurately.....
.....*don't weaken the music's rhythmic impact.*
8. Do adhere to performance directions.....
.....*don't second-guess the composer.*
9. Do review your music regularly.....
.....*don't waste precious rehearsal time with the conductor.*
10. Do strive to be a musician.....
.....*don't just be a singer.*
